Walnut top coffee table **spd2090**

The landscapes of the desert southwest are marked by sweeping vistas, exquisite rock formations and a rich palate of colours – an inspiration for this striking end table. The thick solid wood table top echoes the deep earth tones found throughout the southwest and gives this piece a distinct look. The smooth, clean lines are meant to evoke the peaceful, windswept calm of a desert at dusk, while the brass finish adds an extra touch of authenticity and style.
